					 The technical drawing shows a front view of the range hood assembly. It features a central rectangular opening with a width dimension of 38. The overall width of the assembly is 36.54. On the left side, there is a vertical dimension of 3. At the top left corner, there is a label 'F' and '1A'. At the top right corner, there is a label 'F' and '2.254'. The drawing illustrates the relationship between the various components listed in the table, such as the doors, panel stock, and front skirt.
